March 20, 1992.

Dear Dr. Tang:

Re. International Neurepharmacology Symposium

(In memory of Centenary Anniversary of Medical Practice
of Dr. Sun Yat-sen)

In response to your last faxed communication, we'd like to
mention several points for your consideration:

1. The date for the symposium (9th-11th Nov. 1992) is well
accepted here and could be settled.
2. It is recommended that the Symposium be sponsored jointly
by 3 institutions: Dept. of Pharmacology, University of Minnesota;
Sun Yat-sen Foundation and Sun Yat-sen University of Medical
Sciences.
3. The joint organizing committee consists of 10 members:
Lily C. Tang (chairman), Lu Guang-qi, Abel Lajthe, Hu Ben-rong,
Morace Loh, Liang Xiu-ling, Albert Yu, Zhou Jiong-liang, Stever
Tang and Li pu-er.
4. Since the time is rather hurry, the first circular of this
Symposium is required to be issued as soon as possible. Please
on behalf of the organizing committee, make a draft and send to us
for reference.
5. The Sun Yat-sen Foundation will support the local expenses
for the 6 items you mentioned.
6. In order to facilitate the academic exchanges, please send
us the name list and titles of the invited speakers, as well as
the topics for presentation.

As for the invited speakers in China side, we will inform you
a little bit later. Any suggestion from you would be highly
appreciated.

Thank you.

With best regards.

Sincerely,
Huang Yan *Huang Yan*
